## Welcome to the World of Sita

### COME EXPLORE WITH US

Sita is India's leading Destination Management Company. Maintaining its position as the market leader for over 54 years, Sita keeps reinventing itself with unique and creative products. The company has become the preferred choice for international tour operators sending their clients to India, Nepal, Sri Lanka and Bhutan. It is backed by dedicated market teams with 500 experienced professionals in 20 offices in India, Nepal, Sri Lanka and Bhutan. The team specializes in designing unique and memorable trips that offer glimpses of India's amazing

diversity, traditions, customs and colours. The company helps the guest explore the great outdoors, local customs and charming hospitality, flavourful traditional cooking, stimulating art, intriguing architecture - and much more - in a unique yet easily accessible manner.

### EXCLUSIVENESS

Travellers today are seeking a deeper meaning to what they do and how they explore the many facets of the world. Personal values such as responsibility, fairness, knowledge, sustainability and time are increasingly important to them. Sita highlights this new way of experiencing travel and provides deep insights into different traditions and cultures, enabling authentic encounters that can provide lasting experiences.

### RESPONSIBLE TOURISM

Sita takes innovative action to always ensure that each element of travel service provided, respects the land and its people and falls under the overall mandate of responsible tourism. Corporate Responsibility is part and parcel of Sita's core business activities. It means not just considering financial concerns in our products, processes and decisions, but looking further and asking ourselves how we can be as fair and eco-friendly as possible - and thus as appealing, efficient and innovative as possible - in our activities.

## Explore India by Luxury Train

A trip to India is what travel stories are made of. To explore India is to discover unending secrets to the mystery of life. It's not just the places and sightseeing that travelers relish but also the fairs and festivities, the art and culture, the people and lifestyle, the cuisines and of course shopping. And we haven't even talked about the warmth and hospitality yet.

Exploring India by train is one of the most unique ways to experience the country, especially by luxury trains that offer an experience of a lifetime. These luxury trains provide world class comfort in the most royal and elegant setting, while covering the country side bustling cities to forgotten mud hut villages around rich monuments in locations where empires once existed.
